

New blog-site for Groupe Intellex

Written by David Brunnen
Wednesday, 02 May 2012 09:37

The new URL for the Groupe Intellex blog-site is <http://groupeintellex.com/>

The editorials published on our main website are not currently open to comments - but readers are welcome to add their views on the blog site.

In the build-up to Rio+20 the blog will carry more news on Sustainability topics and the linkages between plans to address Digital and Economic Deficits.
